

Amorino

Take a break from the cold weather with Amorino's chocolate drinks!

As Autumn sets in and the temperatures drop, Amorino invites all gourmets to try our new and delicious hot drinks.

Both creamy and comforting, an authentic Italian hot chocolate is the best way to beat off the cold during the winter season.

Enjoy the sweetness and warmth of Italy with our selection of coffee, gelato and hot chocolate for a truly delicious and warming break.

Ciocco Cremoso

Run, don't walk to try this winter treat! The heavenly marriage of hot chocolate, creamy milk blended with Amorino's inimitabile gelato.

Moccacino
A deliciously creamy drink: the blend of coffee and hot chocolate results in a bold tasting, smooth drink.

All of Amorino's recipes are artisanal.

Our gelati and sorbets are made **without any artificial coloring or flavoring** and are **gluten-free**.

Amorino rigorously selects its ingredients: **organic eggs** produced by **free-range hens** and **fresh farm milk**. Since 2011, Amorino has been creating **ECOCERT certified organic flavors**. Our sorbets are **vegan** and "full fruit". They contain 45 to 60% fruit (except for acidic fruits which contain only 20% fruit).

Available in all Amorino boutiques from today.
