

## Celebrate love with a rose-shaped gelato !

From **Saturday January 29th to February 15th**, Amorino, the Italian gelato maker, is in the mood for love.

For Valentine's Day, Amorino's boutiques are offering to all lovebirds, a crispy **heart-shaped waffle** and a **red cone**, upon purchase of a signature cone or cup.

Decorated with a paper cone especially designed to leave you blushing with pleasure!

Amorino's iconic **gelato-filled macarons** will also be on hand to celebrate. **Romantics** can choose from 4 gelato-filled macarons customized with heartfelt words.

All of Amorino's recipes are artisanal.

Our gelati and sorbets are made **without any artificial coloring or flavoring** and are **gluten-free**.

Amorino rigorously selects its ingredients: **organic eggs** produced by **free-range hens** and **fresh farm milk**.

Since 2011, Amorino has been creating **ECOCERT certified organic flavors**.

**Our sorbets are vegan and "full fruit"**.

They contain 45 to 60% fruit (except for acidic fruits which contain only 20% fruit).
