

CARAMELIZED APPLE: EASE INTO WINTER WITH A NEW GOURMET AND DELICIOUSLY FRUITY FLAVOR

For the new season, Amorino has embellished its menu with a new and comforting flavor for winter.

The authentic flavors of the countryside are highlighted with a sweet and gourmet creation with our new **Caramelized Apple** flavor.

Very old and of European origin, the **Canadian Grey Reinette** is a varietal of an English apple tree called Golden Russet, and first appeared around 1800.

Deliciously flavored, this gelato revives **childhood memories**: the sweet smell of our grandmother's apple pie, fresh out of the oven...The **melting texture of caramel** combined with the delicate and **slightly acidic sweetness of apple**, enhanced by a **hint of cinnamon**, will delight all tastebuds!

With the approach of the end of year festivities we crave more indulgent treats so this limited-edition gelato is topped with a **salted-butter caramel coulis**.

GELATO-FILLED MACARON FOR WINTER

To accompany this new flavor, Amorino has created a **Caramelized Apple** gelato-filled macaron.

The gluten-free shell with its hazelnut chips will delight all.

The Caramelized Apple gelato and macaron will be available in stores from November 1st, 2021 to March 31st, 2022.
